

**Product Category: Industrial Ride on Scrubber Drier**  
**Model No.: BR 850BT**

**Product Feature:**

- Strong, durable, industrial grade, anti-corrosive floor cleaning machine
- Easy, convenient operation and maintenance
- High efficiency, powerful cleaning
- backlight LED display shows the machine running state and malfunction
- Double brushes ensure the working efficiency
- Easy maintenance, no need any tools assist
- Choose brand batteries, chargers
- Safe and reliable
- Front drive wheels makes convenient driving

**Technical Specification:**

• Tank Capacity (Ltr)	110/115
• Suction Motor (VDC, W)	24, 640
• Brush Motor (VDC, W)	24, 550x2
• Power Supply (VDC)	24
• Brush rotation (rpm/min)	170
• Cleaning rate (m2/h)	5550
• Cleaning Width (mm)	850
• Battery (V)	24
• Squeegee width (mm)	1150
• Weight with battery (Kg)	380
• Box Dimension (cm)	150x87x129

• List of Standard Accessories:

Water Sucker (Squeegee), Squeegee blade set,  
Disk Brushes, Pad Drivers, 6V 225AH x4 Batteries, Charger
