

Product Category: Industrial Ride on Scrubber Drier
Model No.: BR 820

Product Feature:

- An indispensable ideal ground-cleaning machine
- Humanized flexible design makes the Operation more simple
- Arc-shaped squeegee prevent leak of sewage
- Automactic up-down brush plate
- High cleaning efficiency
- Bilateral brushes design
- Choose brand batteries, chargers
- Delicate Switch designed
- Front drive wheels makes convenient driving

Technical Specification:

• Tank Capacity (Ltr)	125/132
• Suction Motor (VDC, W, A)	36, 600, 30
• Brush Motor (VDC, W, A)	36, 60, 3.5
• Power Supply (V)	36
• Brush rotation (rpm/min)	170
• Cleaning rate (m2/h)	3220
• Cleaning Width (mm)	820
• Battery (V, AH)	36, 310
• Squeegee width (mm)	1100
• Weight with battery (Kg)	635
• Box Dimension (cm)	168x102x145

• List of Standard Accessories:

Water Sucker (Squeegee), Squeegee blade set,
Disk Brush, Pad Driver, 6V x6 Batteries, Charger
